

# Kionia Long Tour

Distance: [km]	85	Total climb: [m]	2400	Time: Approx. [h]	8
-------------------	----	---------------------	------	----------------------	---

## Tour info

This is a long and tough tour but with the best downhill section on Cyprus! After a long climbing to the top of Kionia we go on single track for 10 km with a drop of about 670 meters. After a fast section on dirt road we stop at the village Lythrodonthas for coffee and refreshments. We are passing some villages during the tour where we can stop for refill water and energy.
